

International Academy of Saginaw
February 2022 Newsletter

Dear IAS Families:

We finished up the second round of MAP testing and our students showed much growth. I am looking forward to seeing even more progress results from the spring round of MAP testing. I would like to give a shout out especially to Mrs. Earle and the 5th and 6th grade class for showing such tremendous growth.

February is Black History Month, and our students are working hard with various projects to celebrate. We have different speakers scheduled to talk with our students about the importance of reading and being community leaders.

On Wednesday February 16, we will be have a 1st Semester A-B Honor Roll pizza party celebration. We want to recognize the hard-work our students have put in to be a part of the Honor Roll. We will also be recognizing those students who exemplify Positive Behaviors.

Thank you,

Austin Brinkman, Principal
